RE: Resolution No. 4088 - FY 2013-14 Overall Work Program (OWP), Planning Certification, and Authorization for Execution of Agreement for Federal Planning Grants

Staff requests that the Committee refer the Overall Work Program (MTC Resolution No. 4088) to the Commission for approval.

Background and Overall Work Program Overview

The OWP is the principal document governing the budget, allocation, and use of federal transportation planning funds in the San Francisco Bay Area. It is prepared with the Association of Bay Area Governments (ABAG) and the California Department of Transportation (Caltrans), both of which are partners in regional transportation planning activities in the Bay Area. MTC's portion of the OWP includes MTC's unified work program for FY 2013-14, as well as certain activities of MTC's transportation planning partners, including the Congestion Management Agencies (CMAs) and transit operators.

A meeting was held on April 2, 2013 at MTC with representatives from Caltrans, ABAG, Federal Highways Administration, and Federal Transit Administration to discuss and comment on the OWP for FY 2013-14.

Attached for your review is Resolution No. 4088, which includes the following actions:

- Approves the final ABAG/Caltrans/MTC Overall Work Program (OWP) for FY 2013-14.
- Authorizes the programming of \$10,210,099 in FY 2013-14 transportation planning funds as follows:

FHWA PL	\$	6,995,000
FTA §5303		2,988,945
FTA 5304		226,154
Total	\$	<u>10,210,099</u>

- Certifies that MTC's planning process will be implemented in accordance with applicable statutes and regulations; and
- Authorizes the Executive Director or his designee to apply for and execute funding agreements to secure federal and other funds for transportation planning activities in FY 2013-14. These funds are used to support staff and consultant costs for activities related to the federal planning emphasis areas and activities managed by ABAG, BCDC, and Congestion Management Agencies.

In addition to the transportation planning funds authorized in Resolution No. 4088, a number of grant and project funds are included in the MTC Budget Summary tab of the OWP.
